INTRODUCTION

We are thrilled that this album, a long talked about dream of ours, has finally become a reality. Our goal was to create an eclectic mix of high quality cover versions sung by our friends for charity.

In 2019 we joined forces with Silva Screen Records to produce Got It Covered and BBC Studios for the accompanying TV documentary in aid of the brilliant BBC Children In Need.

We are honoured that some of the UK's top actors agreed to step out of their comfort zones giving their valuable time and energy to record their track; each artist choosing a song that means something to them, creating their own unique version to raise money that will have such a fantastic impact for children across the UK.

Working alongside vocal coach Mark De-Lisser and music producers Jonathan Quarmby, Guy Chambers and Steve Power at incredible studios across the UK has been a privilege as well as lots of fun. Got It Covered is everything we hoped it would be and more - we hope you enjoy it for years to come.

A MESSAGE FROM BBC CHILDREN IN NEED

BBC Children in Need exists to change the lives of disadvantaged children and young people across the UK. Our vision is that every child in the UK has a safe, happy and secure childhood and the chance to reach their potential.

We are committed to tackling the toughest challenges facing today's children and young people, with support from the great British public who continue to amaze us with their generosity year after year, our partners and the projects we fund.

As a charity, we provide grants to projects which support disadvantaged children and young people in England, Scotland, Wales and Northern Ireland. BBC Children in Need currently funds over 3,000 local charities and projects in communities right across the UK that are helping children and young people facing a range of disadvantages such as living in poverty, being disabled or ill, or experiencing distress, neglect or trauma.

I am so grateful to everyone who has made Got It Covered possible - Shaun and Polly Dooley, the actors, producers, Silva Screen Records, and far too many other generous and talented people to name here - but above all, I would like to thank you for buying this wonderful album. The money raised will go on to make a huge difference to the lives of children and young people throughout the UK.
